# The Foundation

Makoons Group of School is a veteran organisation in the field of International Education Olympiads, with many decades of experience, excellence, and popularity. Makoons Pre School is a Registered (Reg. No. 2809670), an educational organisation headquartered in Indirapuram, Ghaziabad, U.P; that promotes learning beyond the school curriculum among students of Early Learners & Primary Levels in an innovative manner, thereby helping them realise their potential and develop their skills for a brighter and enterprising future.

As we celebrate the journey, we are pleased to be associated with you in our mission of spreading quality education among students. It is worth mentioning that Makoons is recognised as the organiser of one of the biggest and most popular International Olympiads. For the past years, our Olympiad have successfully created a platform for students to appear and test their knowledge & expertise at various levels of these highly esteemed competitive Olympiads. Growth and Reach: For your academic interest, millions of students from various centres of Makoons across continents have participated in the Olympiads conducted by Makoons Group of Schools, not only in India, but also in countries including the Bangladesh, Nepal, Sri Lanka.

Exceptional Quality: These two words best describe why students should participate in our Olympiads. Every aspect of our Olympiads, including the preparation of study material, formation of question papers, logistics, and result processing, is critically analysed and evaluated from these two perspectives. We strongly believe that examinations should be both challenging and motivating, enabling students to continuously improve their academic

# AWARDS & RECOGNITION for Teachers

Every year, Makoons Group of Schools recognises educators for their dedication and commitment to preparing students for Olympiads. By encouraging students to push beyond their perceived limits, these educators inspire curiosity, build confidence, and nurture the pursuit of excellence beyond the classroom syllabus, enabling learners to shine on the platforms. Their willingness to invest extra time and effort reflects a deep passion for nurturing young minds and equipping them to thrive in today's competitive environment.

Acknowledging educators who over the Session, have significantly contributed and received recognition through Olympi Certification.

# Educators Achievement Awards

Recognizing and celebrating the invaluable **contribution of educators** is essential, especially those who inspire excellence in Olympiads. In this spirit, annual awards **honour schools and educators** who go the extra mile in shaping future leaders and building a strong foundation of academic excellence.

These awards recognize **outstanding school performance**, smooth coordination, and effective examination conduct. Special acknowledgement is also given to schools with maximum participation, reflecting a strong culture of encouragement and competitive spirit. Such efforts build the foundation of academic excellence and create lasting success stories for generations.
